

The name does not stand out. To fix this, make the font larger and bold.

Iggy B. Fore

Ensure typeface and font size are consistent throughout resume.

fore@lion.lmu.edu • C (310) 555-2019

8710 Langford Road #7 • Playa Del Rey, CA 90293

The contact information takes up two lines when it can fit on one.

Objective

The Objective section is no longer used in modern resumes.

Focused on applying my financial and entrepreneurial skills, work experience, and passion for analytics and technology, into a finance role at a growth-oriented company.

Relevant Experience

The first line should be bolded to better separate the different experiences.

Date range or season should be capitalized and city and state should also be listed on the right.

LMU Student Investment Fund

2015-2016

Financial Analyst

Conducting discounted cash flow and residual income valuation analysis to recommend equity investments in the financial services and technology sectors (Modeling with CapIQ)

Wedgewood Inc.

Employers read resumes quickly and bullets are easier to read than paragraphs.

summer 2015

Finance and Accounting Intern

Collaborated with IT to build, design, and test a financial software application as part of Wedgewood's Investor-Lender Database. Assisted in the reorganization and analysis of financial data used to track purchasing, forecasting, and profitability trends in the distressed real estate market.

Openworks

Explanations this short are not worth putting on a resume. Either add more or replace it with a better experience.

summer 2014

Inside Sales Intern

Primarily cold calling businesses nationally to initiate sales processes (+\$100,000 in annual contracts)

Gina's Homemade

Start every bullet with an action verb in the correct tense.

2010-2013

Business Development

Directed sales and product demonstrations, responsible for data and trend analysis, inventory management, and linear optimization modeling.

Education

Education should be listed at the top so it is easy to find.

Loyola Marymount University, Finance, BBA

Put the degree on a separate line and spell out the title (Bachelor of ...).

May 2016

Financial Modeling for Decision Making

Hands-on experience in the development of financial forecasting, simulation, and optimization models for applications in valuation, cash budgeting, and portfolio structuring. (Intro to VBA, Solver, Pivot Tables, etc.)

Entertainment Finance

Built a robust financial model for an upcoming film by incorporating raw data, analyzed assumptions, and financial analysis. (Intro to best design practices, match/index, comps analysis, etc.)

Student Accomplishments

List involvement and leadership in the 'Education' section to better highlight the accomplishments.

LMU Business Incubator

2014-2015

Startup Team

Entrusted to lead product development and UX design for multiple startups. Helped create business model and user acquisition strategies. Recognized by peers for the ability to solve strategic problems at various stages of development, as well as quickly communicate and visualize ideas.

LMU Entrepreneurship Program

Add to an "Awards" section to draw attention to them.

2013-2015

LMU International Business Competition Winner

LMU Startup Weekend Winner
