RELEVANT EXPERIENCE

Jefferson Elementary

Westchester, CA

Student Teacher

2019

- Designed and executed one-week lesson plan for class of 28 third grade students
- Collaborated with instructor to teach students music and improve performance for annual Holiday Concert
- Individually worked with students who were struggling to help them better understand the music
- Developed a plan for each student to improve learning, memorization, and comprehension
- Create weekly lesson plans and activities involving music education for students

San Fernando Valley School of Music

North Hollywood, CA

Education Program Intern

2019

- Managed creation of teacher's handbook; researched, wrote, and edited materials for 25-page resource covering organization history and mission, administrative and teaching procedures, and other relevant information, to be published and distributed to 300+ staff
- Synthesized viewpoints of the executive director, education director, program managers, and other key stakeholders while framing the future vision for the organization
- Provided specific feedback and recommendations for program offerings and curriculum in order to engage demographic that was not being reached

Pasadena Marching Band

Pasadena, CA

Camp Instructor

2018

- Provided feedback in meetings with musical and marching directors to conceptualize performance
- Create milestone goals toward final performance
- Tailored teaching and practice techniques to the needs of the students in individual lessons and sectionals
- Critically listened during large group ensembles to provide feedback and appropriate instruction
- Directed small group ensembles and organized efficient and effective daily rehearsals

University of Southern California

Los Angeles, CA

Chamber Music Outreach Performer and Educator

2018

- Performed in classroom to foster musical appreciation and inspiration in charter school settings that lack formal music education curriculum
- Stimulated students to think about music and its application in their lives, such as how musical experiences outside the classroom, especially without access to instruments, training, or conventional opportunities
- Mentor junior high and high school students attending schools nearby USC and provide insight into music as a potential major and career path
